

I am writing you concerning the need to keep K-LOVE on the air. This station serves my community by giving people the Good News of Jesus Christ. There is no other station in my area, the entire Memphis Metro Area, that is Christian oriented. We need this station. I am a financial supporter. That should tell you the importance of this station, I give my hard earned money to it. It reaches so many people with positive ideas. You cannot replace K-Love with LPFM broadcaster. Please allow us to keep our station.
